Streamer Network Terms

Just In Reality, LLC, operating Grand Theft Clipping. Version 1.3, effective November 17, 2026.

1. Who these terms are for

These terms apply to streamers who ask Just In Reality, LLC to list their channel in the Grand Theft Clipping Streamer Network. By submitting the application form and ticking the acceptance box you agree to them and to the Terms of Service.

2. Joining

You confirm that you own or control the channel you submit, and that you are at least 18 years old. We may check this, for example by asking you to place a short code in your channel description or to write to us from an address connected with the channel. We may decline or remove any listing.

3. The permission you give

While your channel is in the network, you permit registered users of Grand Theft Clipping ("clippers") to:

- copy short excerpts from the public live streams and past broadcasts on your listed channel;
- edit those excerpts into short vertical clips, including adding on-screen text, captions and cover images; and
- post those clips on social platforms, including on accounts that earn money from views.

The conditions are:

- each post credits you in the way shown on your page;
- clips must not misrepresent what you said or did, and must not be edited to be hateful, sexual, defamatory or harassing;
- clips must not suggest that you endorse a product, service or person; and
- any further conditions you ask us to show on your page.

You also permit Just In Reality, LLC to store and process those excerpts to run the Service, and to show your channel name, profile image, public statistics, your credit wording and a "Network" badge in the directory.

You also permit Just In Reality, LLC itself to post clips made from the broadcasts on your listed channel on channels that Just In Reality, LLC operates, such as its accounts on YouTube, TikTok, Instagram, Facebook and X. Each of those posts carries a visible credit naming your channel, and a link to your channel in the description where the platform allows links. The conditions above apply to those posts too.

4. What you keep

You keep all rights in your broadcasts. This permission is non-exclusive and does not transfer ownership of anything. You remain free to work with any other tool, editor or clipper.

5. Your promises

You confirm that your broadcasts, and the permission you give here, do not infringe anyone else's rights, and that you will follow the rules of the game publisher and of your streaming platform. Music and other third-party material in your broadcasts remains your responsibility; neither we nor clippers can clear it for you.

6. Money

Joining is free. Just In Reality, LLC does not pay you and you do not pay Just In Reality, LLC. No revenue share, view count or result is promised, including for clips posted on Just In Reality, LLC's own channels. Any arrangement between you and a clipper, including payment, is between the two of you.

7. Leaving

You can leave at any time by emailing support@grandtheftclipping.com. We will remove the Network badge within 3 business days, and remove the listing completely if you ask. From then on your permission no longer covers new clips, and we stop posting clips of your broadcasts on our own channels.

If you ask, we take down the clips of your broadcasts that we posted on our own channels within 3 business days.

Clips that clippers posted on their own accounts before you left are not automatically removed. You can ask the clipper to take a clip down, use the platform's own removal tools, or use our Copyright and DMCA Policy.

8. Our role

Just In Reality, LLC provides a tool and a directory. We do not control clippers, do not review the clips they post, and do not promise how many clips will be made, their quality, or how they perform. If a clipper breaks the conditions above, tell us and we will act under the Terms of Service, which can include closing their account.

9. No affiliation

Grand Theft Clipping is not affiliated with Twitch, Kick, or any game publisher. Being in the network does not make you a partner, employee or agent of Just In Reality, LLC, and you must not say that it does.

10. The Terms of Service apply

The Terms of Service, including the limits on our liability and the governing law and disputes sections, apply to these terms. If the two conflict about the Streamer Network, these terms win.

11. Electronic signature

You agree that submitting the application with the acceptance box ticked and your name typed is your electronic signature. We record the version you accepted, the date and time, and the IP address used.
